# WE'RE HERE TO HELP!

Dear students and families,

Thank you for your interest in Marist University. The Office of Student Financial Services recognizes that financing your education is an essential factor in your decision to attend college, and we are dedicated to providing the information and support you need to make this important investment.

Marist University offers scholarship and aid opportunities for families of all income levels. In addition, Marist offers payment plans and financing options to enable families to more comfortably manage college costs. This guide discusses the various aid programs and student financial services offered by the University, explains the process by which families apply for financial aid, details what is expected from parents and students, and reviews the types of aid available.

The Student Financial Services website provides valuable information regarding money management and other financial literacy tools. Please visit us at **marist.edu/sfs** to explore our educational materials and to learn more.

On behalf of Student Financial Services, we look forward to working with you to make Marist an affordable option for you and your family.

Sincerely,

Joseph R. Weglarz Executive Director Student Financial Services

# THE VALUE OF A MARIST EDUCATION

Founded in 1929, Marist University is a comprehensive, independent four-year institution whose signature educational approach blends the liberal arts with preprofessional studies and emphasizes experiential learning to enrich classroom instruction. With its main campus in Poughkeepsie, N.Y., and branch campus in Florence, Italy, plus over 70 programs offering a variety of international study, Marist is a portal to the world and is devoted to nurturing a welcoming, inclusive community.

Through its six schools offering almost 50 majors, Marist cultivates the intellectual growth and well-being of its more than 6,000 undergraduate and graduate students. They are encouraged to create a unique and personalized combination of coursework and experiences in and out of the classroom that provide valuable personal growth and occupational expertise to reflect their individual passions. # The Office of Student Financial Services

The Office of Student Financial Services is committed to supporting the University's goal of enrolling and graduating a highly talented student body with many different backgrounds and perspectives. Through administration of college-based and government-sponsored student aid programs, along with a broad array of quality financial products and services, the Office of Student Financial Services aspires to ensure the affordability of a Marist University education for all students while it strives to control educational indebtedness.

Marist is committed to offering a financial aid package designed to assist in meeting the financial need of all eligible undergraduate applicants. A self-help component, including student loan and campus employment programs, typically serves as part of a student's financial aid package before grant consideration.

Student Financial Services is a resource center for all students and families, staffed by experienced professionals who recognize that each family and student has a unique set of circumstances surrounding their ability to finance an education. Ultimately, every family's aid package and options will be different.

Student Financial Services staff members are available to discuss aid opportunities, payment options, and financing plans. If you have any questions or would like to come in for an individual meeting, please call **(845) 575-3230** or **(800) 436-5483** to schedule an appointment.

# **Eligibility for Financial Aid**

Marist University administers a wide variety of financial aid programs, including scholarships, grants, loans, and work study, to assist in meeting a student's demonstrated financial need.

In addition, programs are available for families who do not demonstrate financial need but are interested in exploring alternative educational financing options such as a monthly payment plan, various loan programs, and student employment. Both need-based and non-need-based financing options are outlined in this publication. Many families combine two or more of these programs to help manage their financial obligation.

The student aid index is based upon the information the family provides on the Free Application for Federal Student Aid (FAFSA). Factors such as income, assets, family size, and federal poverty guidelines are considered in determining a family's financial strength. The University assumes that all families will contribute to educational costs to the extent they are financially capable.

The Office of Student Financial Services reviews the applicant's financial need and notifies the student of their financial aid eligibility.

# **Applying for Financial Aid**

The Free Application for Federal Student Aid (FAFSA) and the CSS Profile serve as the primary applications for federal and insitutional need-based financial aid at Marist University. To be eligible for federal student assistance, the student must be either a U.S. citizen or an eligible noncitizen of the U.S. with a valid Social Security Number. Students must be matriculated and enrolled at least half-time in order to participate in most federal aid programs.

## **FAFSA**

The Free Application for Federal Student Aid is available at **studentaid.gov.** 

### Marist University's Federal School Code is 002765.

Once the student has been accepted to Marist University and the FAFSA is completed, correspondence will be sent to the student.

Additional information regarding the federal student aid programs may be obtained at studentaid.gov or by calling the U.S. Department of Education at **(800) 433-3243**.

## **CSS** Profile

The CSS Profile is available at **cssprofile. collegeboard.org**.

#### Marist University's CSS Profile Code is 2400.

The CSS Profile is the financial aid application used to determine your eligibility for nonfederal institutional aid.

Once the student has been accepted to Marist University and the FAFSA and CSS Profile are completed, correspondence will be sent to the student.

#### APPLICATION PROCEDURES FOR RENEWAL OF FINANCIAL AID

Annual renewal of financial aid requires completion of the FAFSA, satisfactory academic progress (see online catalog for state and institutional federal eligibility requirements), and a completed registration.

Students receiving federal student financial aid must maintain satisfactory academic progress (SAP) at Marist in order to remain eligible for financial aid. The SAP guidelines may be found at marist.edu/documents/d/ guest/satisfactoryacademicprocess-011823. Upper-class students who wish to be considered for financial aid must complete and submit the Renewal FAFSA, preferably no later than March 15. Financial aid packages are sent to upper-class students in early June.

#### **INTERNATIONAL APPLICANTS**

Although international applicants are ineligible for federal financial assistance, they should complete the CSS Profile for institutional grant consideration at **cssprofile.collegeboard.org**.

The CSS Profile school code is 2400.

# **Sources of Financial Aid**

Marist administers financial aid resources from institutional, federal, state, and private student aid programs. Students who follow the appropriate financial aid application procedures will be considered for all aid programs. Marist scholarship/grant assistance and the self-help component, such as student employment, are reviewed annually based on demonstrated financial need, academic performance, and enrollment status.

# **Scholarships**

There are numerous scholarship opportunities available to students applying to Marist. Here is just a sampling. Please check out the full listing: **marist.edu/first-year/scholarships** 

### **MERIT-BASED SCHOLARSHIPS**

Merit-based awards are determined by the Office of Admission, and no separate application is required.

Various types of merit scholarships are awarded on the basis of a student's achievements and potential to contribute to the University's community.

#### PRESIDENTIAL SCHOLARSHIP

Award: \$20,000 to \$25,000

#### **MARIST SCHOLARSHIP**

Award: \$10,000 to \$15,000

The Presidential and Marist Scholarships are awarded to full-time, entering undergraduate students, and renewed with a cumulative GPA of 2.85.

For further scholarship information, please refer to **marist.edu/first-year/scholarships**.

### **\$**

### TAX INCENTIVES FOR EDUCATION

- Students and parents should be aware that there are federal education Tax Credits, such as the American Opportunity Tax Credit and the Lifetime Learning Credit.
- The American Opportunity Tax Credit (AOTC) grants a credit worth up to \$2,500 per eligible student during the taxable year to be applied toward tuition, required enrollment fees, and course materials that a student needs for course of study whether or not the materials are bought at the educational institution as a condition of enrollment or attendance.
- The Lifetime Learning Credit provides a credit of up to \$2,000 per return for all years of postsecondary education and for courses to acquire or improve job skills.
- There are income limits and other limits based on the actual amount of tuition and fees paid to the college or university. For additional information regarding education credits, please refer to irs.gov/pub/irs-pdf/p970.pdf
- You may also be eligible to deduct the interest on your tax return, once repayment begins on a student loan. For additional information, **irs.gov/publications/p970/ch04.html**

### **OTHER SCHOLARSHIPS**

#### **ATHLETIC SCHOLARSHIPS**

Marist University sponsors NCAA scholarships for men's and women's Division I programs. Awarding of these scholarships is in accordance with the NCAA, the Metro Atlantic Athletic Conference, and Marist University.

#### **FUSCO MUSIC SCHOLARSHIPS**

Instrumental and vocal scholarships are available to incoming students. Music scholarships are renewable merit awards. Students will need to declare a Music Minor in order to be eligible for this scholarship. Auditions are required.

For further information, please contact the Music Department at (845) 575-3242, MusicDept@marist.edu, or visit marist.edu/ communication-arts/music/scholarships.

#### **THEATRE SCHOLARSHIPS**

Theatre scholarships are available to incoming students. Theatre scholarships are renewable merit awards, and all students interested in studying theatre are eligible to apply. Students will need to declare either an English major with a Theatre Concentration OR a Theatre Minor in order to be eligible for a Theatre Scholarship.

For further information, please contact the Director of the Theatre Program at (845) 575-3000, ext. 7507, or marist.edu/liberal-arts/english-theatre/scholarships.

#### **ENDOWED SCHOLARSHIPS**

Through the generosity of trustees, alumni, parents, and friends of Marist, a number of endowed scholarships have been established at Marist. Each scholarship has a specific criterion. The awards can range from \$500 to full scholarships. Endowed/ Donor Scholarships are primarily needbased awards and scholarship recipients are selected by the Office of Student Financial Services. Please refer to our website at **marist.edu/first-year/scholarships** for application and eligibility information and for more details on private scholarship opportunities.

#### NEW YORK STATE SCHOLARSHIPS FOR ACADEMIC EXCELLENCE

NYS Scholarships for Academic Excellence provide up to \$1,500 per year for up to five years of undergraduate study in New York State. Apply through your high school college counseling office.

For a full listing listing of scholarships: marist.edu/first-year/scholarships

# **Student Employment**

Excellent part-time employment opportunities, including those offered through the needbased **Federal Work-Study Program (FWS)** as well as other programs, are made available to assist students in meeting some of the costs related to college attendance.

In addition to on-campus positions, employment opportunities are available offcampus with several not-for-profit community service agencies.

Many student employees average 10-12 hours of work per week, and are paid on a biweekly basis. Hourly rates vary depending on the job requirements. Therefore, it is important to note that since FWS funds are earned by the student they cannot be applied as payment on the student's tuition bill. In addition, being offered FWS does not guarantee a student a job. However, priority for student employment is given to those students who have been awarded FWS.

Part-time off campus positions are available for students regardless of FWS availability.

For further information, please visit: marist.edu/financial-services/studentemployment.

# Grants

### INSTITUTIONAL NEED-BASED GRANTS

Most institutional grant monies are awarded to undergraduate students on the basis of financial need. Marist University Grants are renewed each year provided the student completes all requested renewal application materials, adhering to published dates and deadlines, is making satisfactory academic progress toward the completion of a degree, and the student's demonstrated financial need has not decreased in the following year.

### FEDERAL GRANT AID PROGRAMS

#### Federal Pell Grants and Supplemental Educational Opportunity Grants (SEOG)

Federal Pell Grants and SEOG funds are forms of assistance offered by the U.S. Department

of Education that do not have to be repaid. These grants are restricted to undergraduate students who have not yet earned their first baccalaureate degree. Eligibility for these sources of funding is determined by the information provided on their Free Application for Federal Student Aid (FAFSA).

#### **TEACH Grant Program**

The Teacher Education Assistance for College and Higher Education (TEACH) Grant Program provides grants up to \$4,000 per year to students who intend to teach in a public or private elementary or secondary school that serves students from low-income families. In exchange for receiving a TEACH Grant, you must agree to serve as a full-time teacher in a high-need field in a public or private elementary or secondary school that serves low-income students. For more information, visit https://studentaid.gov/understand-aid/ types/grants/teach.

### **STATE GRANTS**

#### New York State Tuition Assistance Program Grant (TAP)

New York Residents Only

The TAP Grant is awarded to eligible New York residents with financial need who will be attending college in New York State. The estimated amount awarded ranges from \$1,000 to \$5,665 per year. If you file the FAFSA, your information will automatically be used to estimate eligibility for TAP. Please refer to **hesc.ny.gov** for more information and to complete the TAP application.

#### Vermont State Grants Vermont Residents Only

Vermont residents enrolled in an undergraduate degree or certificate program, planning to attend college full-time are eligible to apply for a Vermont Incentive grant. The Vermont Student Assistance Corp. (VSAC) grants can be used at schools both within and outside Vermont and are based on financial need. To apply, complete a Vermont Grant application, available online at vsac.org/grants.

## **Military Resources**

### **ROTC SCHOLARSHIPS**

The Army ROTC and Marist University offer financial assistance to qualified students. Scholarships range from \$2,000 to full tuition, room, board, and fees (including books and uniform); a monthly stipend may also be awarded. Students incur a service obligation (generally for a total of eight years) in return for a four-year scholarship (some three-, twoand one-year scholarships are available).

For further information, please contact the Army ROTC Department at Marist University at (845) 575-3000, ext. 2591 or **marist.edu/studentlife/rotc**.

### VETERAN BENEFITS FOR DEPENDENTS

Marist is a VA-approved institution and accepting of all military-related funding. The veteran's benefit under the Post-9/11 GI Bill allows service members to transfer eligible benefits to their dependent children. For additional information please visit marist.edu/financialaid/military.

# **Payment/Loan Options**

In addition to scholarships and other aid opportunities, Marist University offers payment plans and financing options to enable families to manage college costs. The Monthly Payment Plan provides a term-based, no-interest payment option, and allows you to spread out an annual lump-sum charge into manageable monthly payments.

It is important to note, every student who files the FAFSA is awarded a Federal Direct Loan. Direct Loans do not require repayment until after graduation, and the interest rate on the loan is usually the lowest available.

## **Monthly Payment Plans**

#### Features:

- Monthly payment options
- No interest charges
- No credit review
- Payment by ACH or credit card

Both the first-time application and annual renewal are fast, simple, and can be easily completed online at **mycollegepaymentplan. com/marist**.

Any parent, guardian, or student at Marist University is eligible for the Monthly Payment Plan. Upon receipt of your application and fee, the payment plan will be established with Marist University.

### Loans FEDERAL DIRECT LOAN

With Direct Loans, you:

- Borrow directly from the federal government and have a single contact—your loan servicer—for everything related to repayment, even if you receive Direct Loans at different schools;
- Have online access to your Direct Loan account information via your servicer's website and using the FSA ID on studentaid.gov; and
- Can choose from several repayment plans that are designed to meet the needs of almost any borrower, and you can switch repayment plans if your needs change.

### **APPLYING FOR DIRECT LOANS**

As with all federal student aid, you apply for Direct Loans by filling out the Free Application for Federal Student Aid (FAFSA). Direct Loans are awarded as part of your financial aid package, which may contain other types of aid as well, to help you meet the costs of going to college. A loan fee will be deducted from each disbursement.

The Direct Loan Program offers the following:

- **Subsidized:** For students with demonstrated financial need, as determined by federal regulations. No interest is charged while a student is in school at least half-time.
- **Unsubsidized:** Not based on financial need; interest is charged during all periods, even during the time a student is in school and during grace and deferment periods.

#### **ENTRANCE COUNSELING**

You must complete entrance counseling before the University can make the first disbursement of your loan. This helps you to understand your responsibilities regarding your loan. Counseling can be completed at **studentaid.gov**.

### MASTER PROMISSORY NOTE

To take out a Direct Loan for the first time, you must complete a Master Promissory Note (MPN). You can complete the MPN online at **studentaid.gov**. The MPN is a legal document in which you promise to repay your loan(s) and any accrued interest and fees to the Department of Education. It also explains the terms and conditions of your loan(s). You'll receive a disclosure statement that gives you specific information about any loan that the University plans to disburse under your MPN, including the loan amount, fees, and the expected disbursement dates and amounts.

### LOAN DISBURSEMENTS

Generally, your loan will cover a full academic year and the University will make at least two disbursements to your student account, at the beginning of each semester.

## **Federal Direct PLUS Loan for Parents**

PLUS loans are federal education loans available to the parents of dependent, undergraduate students. These loans are funded by the federal government. To be eligible for the loan, the borrowing parent must have satisfactory credit. The FAFSA must be completed before a parent can apply for a PLUS loan. There is no minimum or maximum income requirement. Both the student and parent applicant must also meet other federal eligibility requirements, such as being U.S. citizens or permanent residents. The maximum amount parents may borrow on a Federal Direct PLUS Loan each academic year is the cost of attendance minus other financial aid received by the student.

For additional information and current rates and fees visit **studentaid.gov**.

## **Private Loans for Students**

Private/alternative loans are available for students seeking loan assistance above and beyond the federal programs. We strongly encourage students to apply for financial aid first, and exhaust all federal student and parent loan options second, prior to borrowing a private loan, due to the higher rates, fees, terms and conditions that usually apply. Eligibility for private loans is not based on need. However, Marist University policy does not allow the certification of any private loan for more than the cost of attendance, minus any other aid.

For additional information, please refer to **marist.edu/financialaid/loans** and click on the Private Loans link.

# **Smart Borrowing**

Marist University makes every effort to ensure that students who invest in their education by borrowing loans graduate with reasonable debt levels. Student Financial Services encourages students to meet with counselors throughout their college career, and students are offered personalized loan counseling sessions at the time of graduation.

It is important to be aware that all types of student loans will need to be repaid in the future. As you make your plans, give serious consideration to the loan amounts needed throughout your entire education. This should ensure that you are able to manage your student loan indebtedness after graduation.

**Tip:** Student loan payments should be 10% or less of a student's net monthly income after graduation.

# **Repaying Your Loans**

Repayment on most federal student loans will begin after you leave college or drop below half-time enrollment. Your loan servicer provides you with a loan repayment schedule that states when your first payment is due, the number and frequency of payments, and the amount of each payment. For a history of your student loans, visit **studentaid.gov**, which provides a centralized, integrated view of federal loans and grants so that recipients of federal aid can access and inquire about their loans and/or grant history.

For additional information on financial literacy and responsible borrowing visit: **marist.edu/ first-year/loans** 

## Federal Loan Forgiveness and Cancellation Programs

Public Service Loan Forgiveness Programs encourage individuals to enter and continue to work full-time in public service jobs. Under this program, borrowers may qualify for forgiveness of the remaining balance due on their eligible federal student loans after they have made 120 payments on those loans under certain repayment plans while employed full-time by certain public service employers. For more information visit: **studentaid.gov** 

# **Tuition Payments and Student Billing**

# **Student Billing**

The Office of Student Financial Services is the department responsible for administering all transactions related to a student's financial account at Marist University. Student Financial Services issues billing statements, processes payments, credits, electronic refunds, and charges that students may incur during their enrollment at Marist.

Marist provides students and families with electronic billing and payment services. Electronic payment services include ACH payments from your checking or savings account. Marist accepts cash, checks, and credit cards for payment. The fall semester billing statement is available in mid-July and payment is due in early August; the spring semester billing statement is available in mid-December and payment is due in early January. These statements list basic semester charges for tuition, fees, room, and board. Additional statements are issued for miscellaneous charges a student may incur during the semester. All tuition statements are accessed through the student's myMarist account.

## **Tuition Refund Insurance**

Tuition Refund Insurance can help refund the cost of attendance, up to the policy limits, if a student is unable to complete classes for the semester due to a covered medical reason or death of the primary tuition payer. Covered medical reasons can include illness, accident, injury, or mental health issues. For enrollment information visit: gradguard.com

## **International Payment Options**

Marist University offers a tuition payment option for international students through the Flywire platform. Flywire allows you to make a payment from any country, or any bank in a safe and convenient manner. Compared to traditional banks, Flywire allows you to save a significant amount of money. They offer excellent foreign exchange rates that, in most cases, allow you to pay in your home currency. If you'd like to track the progress of your payment, you may do so by accessing the student dashboard on your Flywire account. You will also receive a confirmation email once the payment has been received by the University. Begin the payment process using this link and clicking the "pay now" button in the upper left corner: **flywire.com** 

If you do not wish to use Flywire as your payment method, Marist University also accepts tuition payments for international students via:

- Cash/check in the Office of Student Financial Services
- Bank Wire
- Domestic Credit Card
