

**GET IN ON THE ACTION**

The Red Fox Club is the official booster club for Marist Athletics, which benefits over 600 student-athletes, male and female, who compete in 23 Division I intercollegiate programs each year.

Since its inception in 1980, the Red Fox Club has donated more than 1 million dollars helping the Athletic Department defray the costs of outfitting teams with new uniforms and equipment as well as assisting with the renovation and remodeling of the Coaches' Complex in the James J. McCann Recreation Center.

Red Fox Club volunteers invest countless hours in organizing fund-raising events throughout the year, which allow members and guests to socialize with the Marist Athletic Community. These events include an annual golf tournament, river-front barbecue, bus trips to selected away basketball and football games, and the annual Red Fox High School Basketball Shootout.
