

Welcome

Hi and welcome to BUS 202 – Business and Society in a Global Environment. I am looking forward to engaging with each of you over the various aspects of the course. Feel free to reach out should you have any questions prior to the start or during the course. It moves relatively quickly in an 8-week format so be sure to reach out with any issues or questions. I am Tony Carrizales - but rather than having to spell out my name often in an online course - I tend to go by Prof C. I am a professor at Marist working in the School of Management for the past eighteen years.

All the best, Prof. C.
