

MARIST

MASTER OF BUSINESS ADMINISTRATION (MBA)

“

Marist College allowed me the flexibility to work full time and finish my MBA in two years. The academic skills that I learned from Marist have transferred into professional development skills that have allowed me to push my career forward. My MBA was a vital stepping stone that allowed me to pursue my SDBL license from NYS Education Department.”

Ilanna Hinson
MBA '21

NOT JUST AN MBA, A MARIST MBA

Show your commitment to excellence in business and management by earning a Marist MBA. Flexible online courses work around your schedule to keep you moving forward in your career.

Here's why the Marist MBA is your best choice:

- ▶ **Control your curriculum:** Choose between three concentrations - Ethical Leadership, Healthcare Administration, or Financial Management.
- ▶ **Big Data:** Infused throughout your degree, learn how analytics are an important part of the management decision process in all areas of running a business.
- ▶ **Most flexible format:** Offered 100% online, our MBA allows you to complete the program from your home, office, or when traveling.
- ▶ **Program recognition:** The AACSB accredited Marist MBA program has been included on the *U.S. News and World Report's* list of best online MBA programs since it was first launched. And the Princeton Review includes Marist on the list of Best 382 Colleges year after year.
