

Welcome to Marist College

This Passport contains what you need to know for your first days on campus—Welcome Week—and for your first semester as a member of the Marist Community.

- The Passport is filled with specific information that applies to you. Be sure to familiarize yourself with it, so that you know where you need to be during your first moments at Marist.
- The back of the Passport is where you will collect stamps marking your attendance at Welcome Week events. If you fill the back of your Passport, with at least 6 stamps, you will be entered into a drawing for a free semester of books, store and restaurant gift certificates, and many more prizes.

If you have questions about anything during your first year at Marist, please contact your Mentor. You may also contact the Office of First Year Programs at (845) 575-3517.

Please note:
 PAR = Performing Arts Room
 SC = Student Center

Congratulations on becoming a Red Fox!

We hope you enjoyed Welcome Week. What do you do now?

- Get to know your RA, your Mentor, and your RD. All of these individuals will sponsor programs in your hall and across campus, as well as work individually with you to make your transition to Marist smooth. Your Mentor will be looking to have an initial meeting with you during the first three weeks of school, so why don't you be the first to introduce yourself?
- Visit College Activities to find out more information about events on campus (most of these are sponsored by your Student Programming Council), Marist's Student Government Association, or any club/organization that interests you.
- Get to know your professors and your Academic Advisor. Faculty are the first key to your academic success. Don't forget the Academic Learning Center on the third floor of the Library.
- The options are endless, so find what excites you...

You can always find more information and resources online at
