

Deborah Smook, Managing Director/Owner, TurboFil Packaging Machines, LLC

For the past 15 years Deborah has worked with her husband growing TurboFil Packaging Machines into a recognized brand in the packaging industry. Her role in the company includes finance, marketing/sales and growth strategy and her husband handles all technical aspects.

Prior to TurboFil, Deborah's career was divided between industry and consulting, all in med-tech, in functions of marketing, strategic planning, business development, and due diligence studies (Pfizer, Datascope, True North Partners, The Wilkerson Group). She has a BSEE from Tufts University and an MBA from The Wharton School.
